

Eastside

Manchester M11 4GU

To let/may sell
9 new trade and industrial/
warehouse units
4,316 - 27,002 sq ft

Chancerygate

Strategic locations. Sustainable buildings.

Eastside is a high-profile business park with excellent visibility from Ashton New Road. Ideally located just 10 minutes from Manchester City Centre, it offers a prime urban logistics location with superb connectivity just 2 miles west of Junction 23 of the M60 and a short walk from Edge Lane Metrolink station.

Accommodation

All areas are approximate on a GEA (Gross External Area) sq ft basis.

Unit	Ground floor	First floor	Total
1	6,265*	2,637	8,902

Sustainable approach.
Positive impact.

We take a forward-thinking approach to minimise our impact on the environment, from design and construction through to operation. Working with leading sustainability consultants, Chancerygate embraces the latest technologies and methods to achieve future-proof solutions.

Green initiatives at Eastside include:

- Solar PV panels on all units*
- Air source heat pumps to all units
- Highly efficient LED lighting
- High performance insulated cladding and roof materials
- Low air permeability design
- Electric vehicle charging points
- 15% warehouse roof lights increasing natural day light
- Landscaped communal areas, enhancing biodiversity
- Exterior and interior cycle storage to encourage cycling to work
- Low speed limit restrictions to reduce emissions

*Potential savings of up to £0.82 per sq ft per annum through use of PVs based on using current energy prices as of June 2025 and assuming 100% PV generation is used on site.
